I've got the JOY, JOY, JOY, JOY

&

My Cup Runneth Over.

Dear Supporters,

Greetings in the precious name of Jesus Christ.

Since the last newsletter, there are at least four items that have brought tremendous JOY to all of us on staff.

1. The Informational Supper.

We thank each of you who attended our Informational Supper at the Ephrata Mennonite School Nov 10th. What a blessing to spend time with more than 100 of you, sharing the vision and successes of the school. The students sang, testified and we showed a power point of the school. That 10-minute power point video is available from the school. Let us know if you would like one.

2. The Christmas Program

What a tremendous blessing to have more than 300 people gather Dec 6th for the Annual Christmas Program. The church was full to capacity, and the students did an excellent job. We will be giving the same program again at the Rawlinsville congregation Sunday evening Dec 20th.

3. Chad's hearing

The ten month investigation and trial process is over on the Criminal Court side of things

4. Year End gifts that promise a bright start of the new year.
